Glad you can go to CNP! NRA will pay your registration but not your hotel or car.

There is a shuttle from Dulles Airport so you wouldn't need any car if you stay walking distance at a hotel.

You are welcome to stay with us, but David is only at CNP after 12 Friday and Saturday morning until lunch, so you would need a car to stay with us. We are an hour away in rush hour.

I am editing that weekend but hope to see you soon!
